Join us on weekday mornings for kindergarten registration

Printed copies are available at the north campus, and the full details on the vaccination clinic are posted online. Funding for the volunteer program comes from the regular budget and from local partners. Please bring a photo ID if you plan to visit the cafeteria about the student council election. Anyone who cannot attend in person can send comments about the community garden to the district office.

We have posted an free session for the bond measure so that neighbors can plan ahead. This plan is part of a larger effort to support board members and to keep the new reading curriculum on track. Thank you to the families who helped with safety drills; your time made a real difference.

In response to requests from volunteers, we have added more time for after-school programs. We have posted an seasonal schedule for the college and career fair so that staff members can plan ahead. Changes to bus routes take effect before the end of the month, and community partners will receive a reminder beforehand. The team reviewed feedback on the new reading curriculum and made several changes to the report.

The updated session covers the robotics club and explains how families can get involved by the end of the term. Funding for the bond measure comes from the regular budget and from local partners. In response to requests from volunteers, we have added more time for the water quality report. Thank you to the teachers who helped with bus routes; your time made a real difference.

Join us on weekday mornings for kindergarten registration (continued)

Last month, more than 400 staff members took part in the track meet, which exceeded our goal. A new service for the vaccination clinic will begin before the end of the month, and students are welcome to take part. Thank you to the volunteers who helped with the energy savings project; your time made a real difference. Accommodations are available on request; ask at the gymnasium before each Tuesday evening. This service is part of a larger effort to support staff members and to keep the spring budget on track.

Over the past year, parents and guardians told us that the road resurfacing was a priority, and this schedule reflects that. In response to requests from students, we have added more time for the bond measure. For the community garden, the plan is to start small each Tuesday evening and grow based on what students tell us. In response to requests from parents and guardians, we have added more time for the facilities plan.

Accommodations are available on request; ask at the cafeteria before every other Thursday. Questions about the college and career fair can be directed to Founders Park, where someone is available to help. Staff will hold an open session on the spring concert at the cafeteria starting in January.

In response to requests from residents, we have added more time for the college and career fair. For school lunch menus, the plan is to start small by the end of the term and grow based on what parents and guardians tell us. Anyone who cannot attend in person can send comments about the road resurfacing to the community center. Please bring a photo ID if you plan to visit the district office about crossing guard coverage. In response to requests from volunteers, we have added more time for bus routes.
