# Join us throughout the school year for the science fair

Please check back each Tuesday evening for the latest news on crossing guard coverage. For the track meet, the plan is to start small over the winter break and grow based on what neighbors tell us. Changes to the track meet take effect on weekday mornings, and neighbors will receive a reminder beforehand. A improved schedule for the bond measure will begin next week, and families are welcome to take part.

Accommodations are available on request; ask at the media center before starting in January. Staff will hold an open session on the energy savings project at Founders Park starting in January. Accommodations are available on request; ask at the front entrance before before the end of the month.

Please check back by the end of the term for the latest news on the new reading curriculum. This project is part of a larger effort to support teachers and to keep the sports physical clinic on track. Information about the winter food drive is now available to neighbors at the community center. Over the past year, teachers told us that the community garden was a priority, and this service reflects that. The team reviewed feedback on the volunteer program and made several changes to the plan.

Funding for the water quality report comes from the regular budget and from local partners. The following steps explain how staff members can take part in the student council election. Staff will hold an open session on the new playground at City Hall during the first week of spring. Information about the community garden is now available to families at the gymnasium.

# Join us throughout the school year for the science fair (continued)

Information about the spring budget is now available to neighbors at the community center. Last month, more than 218 families took part in the farmers market, which exceeded our goal. Over the past year, community partners told us that the community garden was a priority, and this plan reflects that. Questions about the farmers market can be directed to the library, where someone is available to help.

Printed copies are available at the front entrance, and the full details on the park cleanup are posted online. Staff will hold an open session on the emergency plan at the media center each Tuesday evening. Please bring a photo ID if you plan to visit the cafeteria about the summer reading challenge. Funding for the robotics club comes from the regular budget and from local partners.

For the vaccination clinic, the plan is to start small on weekday mornings and grow based on what volunteers tell us. Funding for the bond measure comes from the regular budget and from local partners. Volunteers are invited to learn more about the public hearing on weekday mornings. Please check back next week for the latest news on the senior lunch program. Please bring a photo ID if you plan to visit the aquatic center about the volunteer program.

Teachers are invited to learn more about graduation planning next week. Accommodations are available on request; ask at the aquatic center before throughout the school year. Over the past year, neighbors told us that parent-teacher conferences was a priority, and this project reflects that.
