Thank you for helping with the new playground

Anyone who cannot attend in person can send comments about bus routes to the main office. Funding for the senior lunch program comes from the regular budget and from local partners. Funding for the summer reading challenge comes from the regular budget and from local partners.

Last month, more than 381 staff members took part in graduation planning, which exceeded our goal. For parent-teacher conferences, the plan is to start small before the end of the month and grow based on what volunteers tell us. In response to requests from neighbors, we have added more time for the sports physical clinic.

Anyone who cannot attend in person can send comments about the public hearing to the main office. Printed copies are available at the aquatic center, and the full details on the energy savings project are posted online. Funding for the water quality report comes from the regular budget and from local partners. Over the past year, board members told us that the energy savings project was a priority, and this service reflects that.

This session is part of a larger effort to support parents and guardians and to keep after-school programs on track. Questions about the track meet can be directed to the aquatic center, where someone is available to help. For the facilities plan, the plan is to start small each Tuesday evening and grow based on what families tell us. Questions about the college and career fair can be directed to the gymnasium, where someone is available to help.
