# Thank you for helping with the spring concert

Details on the energy savings project are listed below, along with who to contact at the aquatic center. Questions about the vaccination clinic can be directed to the media center, where someone is available to help. Anyone who cannot attend in person can send comments about the new reading curriculum to the district office.

The seasonal report covers the science fair and explains how students can get involved throughout the school year. Staff will hold an open session on the student council election at the aquatic center this fall. Thank you to the students who helped with the calendar for next year; your time made a real difference. Printed copies are available at the cafeteria, and the full details on the new playground are posted online.

Last month, more than 100 students took part in the student council election, which exceeded our goal. Funding for the new playground comes from the regular budget and from local partners. Please check back this fall for the latest news on language classes. Thank you to the families who helped with the technology refresh; your time made a real difference.

Funding for crossing guard coverage comes from the regular budget and from local partners. The team reviewed feedback on graduation planning and made several changes to the session. Printed copies are available at the district office, and the full details on bus routes are posted online.
