Free guide announced for the college and career fair

This schedule is part of a larger effort to support neighbors and to keep the road resurfacing on track. A redesigned plan for the water quality report will begin next week, and neighbors are welcome to take part. We have posted an redesigned guide for the community garden so that students can plan ahead. Thank you to the volunteers who helped with the spring concert; your time made a real difference. This session is part of a larger effort to support students and to keep the new playground on track.

For the sports physical clinic, the plan is to start small every other Thursday and grow based on what families tell us. The team reviewed feedback on safety drills and made several changes to the review. Board members are invited to learn more about the robotics club starting in January.

We have posted an updated report for the new reading curriculum so that parents and guardians can plan ahead. Please check back every other Thursday for the latest news on the spring concert. We have posted an free plan for the park cleanup so that neighbors can plan ahead. Please check back by the end of the term for the latest news on the spring concert.

For graduation planning, the plan is to start small during the first week of spring and grow based on what neighbors tell us. Questions about the new reading curriculum can be directed to the main office, where someone is available to help. Please check back before the end of the month for the latest news on the road resurfacing.
