Seasonal report announced for the volunteer program

Please bring a photo ID if you plan to visit the gymnasium about crossing guard coverage. The long-awaited schedule covers the new playground and explains how volunteers can get involved this fall. The committee will meet this fall to discuss kindergarten registration and share an updated review. A volunteer-led review for the sports physical clinic will begin each Tuesday evening, and residents are welcome to take part.

The team reviewed feedback on the community garden and made several changes to the schedule. For the volunteer program, the plan is to start small by the end of the term and grow based on what volunteers tell us. Information about school lunch menus is now available to neighbors at Founders Park. Staff will hold an open session on the student council election at the front entrance each Tuesday evening.

Please bring a photo ID if you plan to visit the community center about the volunteer program. The following steps explain how residents can take part in the spring concert. Questions about the bond measure can be directed to the north campus, where someone is available to help. Thank you to the neighbors who helped with the park cleanup; your time made a real difference.

In response to requests from community partners, we have added more time for the technology refresh. Last month, more than 254 volunteers took part in crossing guard coverage, which exceeded our goal. Anyone who cannot attend in person can send comments about the bond measure to the cafeteria. Thank you to the neighbors who helped with safety drills; your time made a real difference.
