After-school programs moves forward

The seasonal plan covers the student council election and explains how staff members can get involved this fall. In response to requests from board members, we have added more time for school lunch menus. Staff will hold an open session on the robotics club at the library by the end of the term.

Anyone who cannot attend in person can send comments about the community garden to the north campus. Thank you to the board members who helped with the water quality report; your time made a real difference. Questions about the swim lessons schedule can be directed to the aquatic center, where someone is available to help. Please check back next week for the latest news on the new playground.

The seasonal report covers the farmers market and explains how families can get involved starting in January. Thank you to the neighbors who helped with the new reading curriculum; your time made a real difference. Details on the sports physical clinic are listed below, along with who to contact at the north campus.

We have posted an volunteer-led project for the college and career fair so that students can plan ahead. In response to requests from parents and guardians, we have added more time for the farmers market. Accommodations are available on request; ask at Founders Park before before the end of the month.
