Thank you for helping with the calendar for next year

This schedule is part of a larger effort to support teachers and to keep the robotics club on track. Printed copies are available at the media center, and the full details on the public hearing are posted online. Printed copies are available at the media center, and the full details on the public hearing are posted online. Please check back next week for the latest news on the facilities plan.

Thank you to the parents and guardians who helped with the water quality report; your time made a real difference. This session is part of a larger effort to support students and to keep the energy savings project on track. Printed copies are available at the aquatic center, and the full details on the senior lunch program are posted online. This program is part of a larger effort to support volunteers and to keep the student council election on track.

For the technology refresh, the plan is to start small throughout the school year and grow based on what staff members tell us. Anyone who cannot attend in person can send comments about the vaccination clinic to the front entrance. Details on the volunteer program are listed below, along with who to contact at the library. Over the past year, students told us that the spring concert was a priority, and this guide reflects that. Staff will hold an open session on the spring concert at the front entrance next week.

For parent-teacher conferences, the plan is to start small each Tuesday evening and grow based on what neighbors tell us. Thank you to the residents who helped with the community garden; your time made a real difference. Questions about the new reading curriculum can be directed to the community center, where someone is available to help.
