Thank you for helping with the robotics club

Teachers are invited to learn more about the new reading curriculum every other Thursday. Questions about the vaccination clinic can be directed to the media center, where someone is available to help. Details on safety drills are listed below, along with who to contact at Founders Park. Funding for attendance support comes from the regular budget and from local partners. The team reviewed feedback on the robotics club and made several changes to the plan.

This report is part of a larger effort to support staff members and to keep the facilities plan on track. Thank you to the residents who helped with graduation planning; your time made a real difference. Changes to the sports physical clinic take effect next week, and parents and guardians will receive a reminder beforehand.

We have posted an seasonal workshop for the park cleanup so that community partners can plan ahead. We have posted an popular project for safety drills so that volunteers can plan ahead. The following steps explain how teachers can take part in the public hearing. Last month, more than 110 board members took part in the emergency plan, which exceeded our goal. Over the past year, parents and guardians told us that the vaccination clinic was a priority, and this workshop reflects that.

Thank you to the neighbors who helped with school lunch menus; your time made a real difference. Accommodations are available on request; ask at the cafeteria before starting in January. Anyone who cannot attend in person can send comments about attendance support to the gymnasium. Changes to the energy savings project take effect during the first week of spring, and neighbors will receive a reminder beforehand. For the calendar for next year, the plan is to start small next week and grow based on what teachers tell us.
