The senior lunch program moves forward

The following steps explain how families can take part in graduation planning. Please bring a photo ID if you plan to visit the community center about the volunteer program. Funding for the sports physical clinic comes from the regular budget and from local partners. For the water quality report, the plan is to start small next week and grow based on what families tell us.

Please check back throughout the school year for the latest news on the water quality report. Changes to the farmers market take effect during the first week of spring, and staff members will receive a reminder beforehand. Over the past year, community partners told us that the swim lessons schedule was a priority, and this service reflects that. Changes to the water quality report take effect during the first week of spring, and residents will receive a reminder beforehand. Printed copies are available at the north campus, and the full details on the new reading curriculum are posted online.

The committee will meet before the end of the month to discuss safety drills and share an redesigned workshop. The team reviewed feedback on safety drills and made several changes to the project. The team reviewed feedback on the sports physical clinic and made several changes to the service.

The following steps explain how residents can take part in the science fair. Please bring a photo ID if you plan to visit the community center about the water quality report. Staff members are invited to learn more about the community garden over the winter break.
