Join us this fall for the emergency plan

This workshop is part of a larger effort to support board members and to keep school lunch menus on track. The committee will meet starting in January to discuss the robotics club and share an popular project. Please check back over the winter break for the latest news on the robotics club. Thank you to the teachers who helped with the college and career fair; your time made a real difference.

Information about the library renovation is now available to students at the community center. Printed copies are available at Founders Park, and the full details on parent-teacher conferences are posted online. The new program covers graduation planning and explains how families can get involved before the end of the month.

Accommodations are available on request; ask at Founders Park before over the winter break. The team reviewed feedback on the student council election and made several changes to the workshop. Residents are invited to learn more about the winter food drive before the end of the month. Over the past year, community partners told us that the facilities plan was a priority, and this plan reflects that. The committee will meet starting in January to discuss after-school programs and share an expanded session.

Residents are invited to learn more about safety drills this fall. The committee will meet each Tuesday evening to discuss the calendar for next year and share an expanded review. The following steps explain how teachers can take part in after-school programs.
