The summer reading challenge moves forward

Staff will hold an open session on the park cleanup at the front entrance each Tuesday evening. Questions about crossing guard coverage can be directed to the media center, where someone is available to help. Please bring a photo ID if you plan to visit the media center about the new reading curriculum. Please check back this fall for the latest news on attendance support.

Over the past year, board members told us that the energy savings project was a priority, and this project reflects that. The seasonal review covers the community garden and explains how students can get involved starting in January. In response to requests from teachers, we have added more time for bus routes.

The committee will meet throughout the school year to discuss the winter food drive and share an free program. This guide is part of a larger effort to support board members and to keep the calendar for next year on track. The new session covers the emergency plan and explains how community partners can get involved on weekday mornings. The team reviewed feedback on the public hearing and made several changes to the service. The committee will meet on weekday mornings to discuss the calendar for next year and share an improved session.

The team reviewed feedback on the volunteer program and made several changes to the plan. Changes to the robotics club take effect during the first week of spring, and neighbors will receive a reminder beforehand. Accommodations are available on request; ask at Founders Park before by the end of the term.
