The vaccination clinic: dates and details

For the community garden, the plan is to start small during the first week of spring and grow based on what teachers tell us. The redesigned report covers the library renovation and explains how volunteers can get involved over the winter break. Last month, more than 190 residents took part in the new reading curriculum, which exceeded our goal.

Information about the senior lunch program is now available to community partners at the library. The following steps explain how residents can take part in the energy savings project. Anyone who cannot attend in person can send comments about the emergency plan to the main office. Please bring a photo ID if you plan to visit the main office about the science fair.

Please bring a photo ID if you plan to visit Founders Park about the road resurfacing. Board members are invited to learn more about the facilities plan on weekday mornings. The team reviewed feedback on language classes and made several changes to the program. Details on kindergarten registration are listed below, along with who to contact at the community center.

Community partners are invited to learn more about language classes on weekday mornings. The long-awaited session covers the water quality report and explains how community partners can get involved this fall. Details on the library renovation are listed below, along with who to contact at the gymnasium. Questions about the road resurfacing can be directed to the north campus, where someone is available to help.
