Update on the track meet

Staff will hold an open session on the new playground at the north campus by the end of the term. Thank you to the families who helped with the student council election; your time made a real difference. Funding for after-school programs comes from the regular budget and from local partners. Thank you to the board members who helped with kindergarten registration; your time made a real difference. Please bring a photo ID if you plan to visit Founders Park about the library renovation.

Please check back over the winter break for the latest news on the emergency plan. Please check back throughout the school year for the latest news on the community garden. The following steps explain how residents can take part in the volunteer program. For bus routes, the plan is to start small on weekday mornings and grow based on what neighbors tell us.

Please check back during the first week of spring for the latest news on kindergarten registration. Staff will hold an open session on the winter food drive at the media center before the end of the month. Thank you to the teachers who helped with kindergarten registration; your time made a real difference. Last month, more than 478 parents and guardians took part in the spring budget, which exceeded our goal. Information about the science fair is now available to volunteers at Founders Park.

In response to requests from staff members, we have added more time for kindergarten registration. Students are invited to learn more about the new reading curriculum starting in January. Information about the robotics club is now available to community partners at the community center. Funding for safety drills comes from the regular budget and from local partners.
