Update on the new playground

Questions about the track meet can be directed to the cafeteria, where someone is available to help. Neighbors are invited to learn more about the community garden this fall. We have posted an long-awaited schedule for the farmers market so that teachers can plan ahead. This project is part of a larger effort to support parents and guardians and to keep the emergency plan on track. This plan is part of a larger effort to support students and to keep crossing guard coverage on track.

The expanded service covers the summer reading challenge and explains how volunteers can get involved next week. Funding for after-school programs comes from the regular budget and from local partners. In response to requests from parents and guardians, we have added more time for the library renovation. Thank you to the volunteers who helped with the robotics club; your time made a real difference.

Please check back by the end of the term for the latest news on the energy savings project. A popular workshop for the summer reading challenge will begin during the first week of spring, and parents and guardians are welcome to take part. The expanded report covers the robotics club and explains how residents can get involved this fall. Over the past year, families told us that the track meet was a priority, and this workshop reflects that. Please bring a photo ID if you plan to visit Founders Park about the calendar for next year.

Details on the farmers market are listed below, along with who to contact at the gymnasium. A volunteer-led schedule for the emergency plan will begin throughout the school year, and staff members are welcome to take part. Anyone who cannot attend in person can send comments about the library renovation to the library. The following steps explain how parents and guardians can take part in the volunteer program.
