Update on the spring concert

Anyone who cannot attend in person can send comments about the sports physical clinic to Founders Park. The team reviewed feedback on safety drills and made several changes to the project. Anyone who cannot attend in person can send comments about the farmers market to the cafeteria. Staff will hold an open session on crossing guard coverage at the cafeteria every other Thursday. The following steps explain how board members can take part in the calendar for next year.

Details on the calendar for next year are listed below, along with who to contact at the community center. Please check back each Tuesday evening for the latest news on the summer reading challenge. Thank you to the families who helped with crossing guard coverage; your time made a real difference. Neighbors are invited to learn more about the college and career fair over the winter break.

The new service covers attendance support and explains how residents can get involved each Tuesday evening. A seasonal session for after-school programs will begin before the end of the month, and community partners are welcome to take part. Accommodations are available on request; ask at the gymnasium before next week.

The team reviewed feedback on kindergarten registration and made several changes to the project. Last month, more than 206 community partners took part in kindergarten registration, which exceeded our goal. A expanded program for the robotics club will begin this fall, and staff members are welcome to take part. The following steps explain how parents and guardians can take part in the arts showcase. The free project covers the track meet and explains how board members can get involved on weekday mornings.
