Update on the new playground

Accommodations are available on request; ask at the aquatic center before each Tuesday evening. Thank you to the teachers who helped with crossing guard coverage; your time made a real difference. Information about the winter food drive is now available to residents at City Hall. Please check back on weekday mornings for the latest news on graduation planning.

We have posted an long-awaited session for language classes so that board members can plan ahead. In response to requests from board members, we have added more time for the library renovation. Staff will hold an open session on the swim lessons schedule at the district office this fall. Funding for the track meet comes from the regular budget and from local partners.

Details on the robotics club are listed below, along with who to contact at the aquatic center. Changes to crossing guard coverage take effect before the end of the month, and residents will receive a reminder beforehand. This plan is part of a larger effort to support board members and to keep the winter food drive on track. Over the past year, students told us that safety drills was a priority, and this plan reflects that. Please bring a photo ID if you plan to visit the media center about the winter food drive.

Please bring a photo ID if you plan to visit the media center about the road resurfacing. A long-awaited workshop for the road resurfacing will begin starting in January, and board members are welcome to take part. The following steps explain how families can take part in kindergarten registration. The following steps explain how community partners can take part in the bond measure.
