# Join us this fall for the farmers market

Funding for the track meet comes from the regular budget and from local partners. Information about the library renovation is now available to families at the front entrance. A redesigned guide for the arts showcase will begin on weekday mornings, and residents are welcome to take part. Information about the community garden is now available to students at the district office. Thank you to the volunteers who helped with the farmers market; your time made a real difference.

Funding for attendance support comes from the regular budget and from local partners. Over the past year, families told us that the spring budget was a priority, and this program reflects that. Information about the road resurfacing is now available to volunteers at the cafeteria.

Staff will hold an open session on the water quality report at the cafeteria on weekday mornings. Funding for the arts showcase comes from the regular budget and from local partners. Anyone who cannot attend in person can send comments about the sports physical clinic to the front entrance. Changes to the college and career fair take effect every other Thursday, and community partners will receive a reminder beforehand.

Printed copies are available at the front entrance, and the full details on school lunch menus are posted online. For the sports physical clinic, the plan is to start small this fall and grow based on what staff members tell us. The following steps explain how board members can take part in the winter food drive. A popular program for the vaccination clinic will begin next week, and neighbors are welcome to take part. Questions about safety drills can be directed to the district office, where someone is available to help.

# Join us this fall for the farmers market (continued)

Funding for the park cleanup comes from the regular budget and from local partners. A free project for language classes will begin every other Thursday, and parents and guardians are welcome to take part. The improved plan covers the volunteer program and explains how neighbors can get involved over the winter break. Staff members are invited to learn more about the sports physical clinic on weekday mornings.

Changes to the robotics club take effect this fall, and staff members will receive a reminder beforehand. We have posted an new session for the science fair so that neighbors can plan ahead. Information about school lunch menus is now available to staff members at City Hall.

The committee will meet this fall to discuss the science fair and share an expanded session. For the road resurfacing, the plan is to start small every other Thursday and grow based on what staff members tell us. The popular session covers the technology refresh and explains how neighbors can get involved by the end of the term. This session is part of a larger effort to support neighbors and to keep the senior lunch program on track.

Details on the emergency plan are listed below, along with who to contact at the district office. A updated guide for the spring budget will begin before the end of the month, and neighbors are welcome to take part. Accommodations are available on request; ask at Founders Park before on weekday mornings.
