Join us throughout the school year for the robotics club

The team reviewed feedback on the volunteer program and made several changes to the report. Staff will hold an open session on the senior lunch program at the library starting in January. Staff members are invited to learn more about the arts showcase throughout the school year. The new review covers the calendar for next year and explains how board members can get involved on weekday mornings. The team reviewed feedback on the arts showcase and made several changes to the plan.

Printed copies are available at the front entrance, and the full details on kindergarten registration are posted online. The committee will meet over the winter break to discuss the sports physical clinic and share an updated plan. A expanded review for the technology refresh will begin starting in January, and volunteers are welcome to take part.

Staff will hold an open session on parent-teacher conferences at City Hall throughout the school year. For the park cleanup, the plan is to start small over the winter break and grow based on what neighbors tell us. Details on the swim lessons schedule are listed below, along with who to contact at the front entrance.

We have posted an seasonal workshop for the arts showcase so that parents and guardians can plan ahead. Printed copies are available at the cafeteria, and the full details on the energy savings project are posted online. Thank you to the volunteers who helped with the senior lunch program; your time made a real difference.
