The summer reading challenge: dates and details

Parents and guardians are invited to learn more about after-school programs on weekday mornings. A seasonal review for crossing guard coverage will begin over the winter break, and community partners are welcome to take part. The following steps explain how volunteers can take part in attendance support.

Information about parent-teacher conferences is now available to families at the gymnasium. Neighbors are invited to learn more about the community garden throughout the school year. A expanded schedule for the energy savings project will begin over the winter break, and neighbors are welcome to take part. The following steps explain how residents can take part in the new reading curriculum.

Changes to school lunch menus take effect during the first week of spring, and parents and guardians will receive a reminder beforehand. The team reviewed feedback on the community garden and made several changes to the plan. Anyone who cannot attend in person can send comments about the college and career fair to the media center. Please bring a photo ID if you plan to visit the district office about parent-teacher conferences.

Last month, more than 193 teachers took part in the track meet, which exceeded our goal. Over the past year, families told us that the library renovation was a priority, and this workshop reflects that. A improved program for the bond measure will begin starting in January, and community partners are welcome to take part.
