Update on the sports physical clinic

The committee will meet before the end of the month to discuss the vaccination clinic and share an redesigned guide. Details on the facilities plan are listed below, along with who to contact at the library. Staff will hold an open session on school lunch menus at the front entrance before the end of the month. The long-awaited schedule covers language classes and explains how board members can get involved each Tuesday evening. Questions about bus routes can be directed to the north campus, where someone is available to help.

Changes to language classes take effect over the winter break, and students will receive a reminder beforehand. Printed copies are available at the cafeteria, and the full details on the robotics club are posted online. We have posted an free report for crossing guard coverage so that families can plan ahead. Please check back during the first week of spring for the latest news on the volunteer program.

Anyone who cannot attend in person can send comments about the arts showcase to the north campus. The team reviewed feedback on the track meet and made several changes to the project. Over the past year, families told us that the senior lunch program was a priority, and this workshop reflects that. Staff will hold an open session on the new playground at Founders Park throughout the school year. Details on the arts showcase are listed below, along with who to contact at the cafeteria.

The team reviewed feedback on the winter food drive and made several changes to the guide. Staff will hold an open session on parent-teacher conferences at the gymnasium next week. Staff will hold an open session on safety drills at the gymnasium each Tuesday evening. Information about the water quality report is now available to volunteers at the main office. Changes to the farmers market take effect each Tuesday evening, and board members will receive a reminder beforehand.
