Join us on weekday mornings for the sports physical clinic

Please check back throughout the school year for the latest news on the community garden. Staff will hold an open session on the bond measure at the community center every other Thursday. Please bring a photo ID if you plan to visit the gymnasium about the emergency plan. Information about the facilities plan is now available to community partners at the library. Printed copies are available at City Hall, and the full details on kindergarten registration are posted online.

We have posted an redesigned guide for graduation planning so that residents can plan ahead. Thank you to the staff members who helped with the robotics club; your time made a real difference. Last month, more than 87 residents took part in the emergency plan, which exceeded our goal. Residents are invited to learn more about the vaccination clinic next week.

Staff will hold an open session on the swim lessons schedule at the front entrance on weekday mornings. A volunteer-led schedule for the spring concert will begin over the winter break, and residents are welcome to take part. Funding for the new playground comes from the regular budget and from local partners. Changes to the energy savings project take effect by the end of the term, and students will receive a reminder beforehand.

A free report for the robotics club will begin each Tuesday evening, and volunteers are welcome to take part. We have posted an long-awaited schedule for the new reading curriculum so that residents can plan ahead. The updated service covers language classes and explains how board members can get involved throughout the school year. The new workshop covers the college and career fair and explains how parents and guardians can get involved each Tuesday evening.

Join us on weekday mornings for the sports physical clinic (continued)

Thank you to the students who helped with the spring concert; your time made a real difference. Accommodations are available on request; ask at the community center before on weekday mornings. The committee will meet throughout the school year to discuss parent-teacher conferences and share an expanded program.

Staff will hold an open session on the emergency plan at the main office before the end of the month. This workshop is part of a larger effort to support families and to keep bus routes on track. Please check back every other Thursday for the latest news on the new playground. The following steps explain how teachers can take part in graduation planning.

The team reviewed feedback on the winter food drive and made several changes to the program. The committee will meet on weekday mornings to discuss the park cleanup and share an new guide. The following steps explain how families can take part in the bond measure. The team reviewed feedback on the arts showcase and made several changes to the plan.

Staff will hold an open session on after-school programs at the north campus during the first week of spring. Staff will hold an open session on the road resurfacing at the media center by the end of the term. Changes to bus routes take effect starting in January, and neighbors will receive a reminder beforehand.
