# Thank you for helping with after-school programs

Last month, more than 476 parents and guardians took part in the park cleanup, which exceeded our goal. Funding for the emergency plan comes from the regular budget and from local partners. This workshop is part of a larger effort to support volunteers and to keep the new playground on track. Questions about after-school programs can be directed to Founders Park, where someone is available to help. The popular plan covers the track meet and explains how residents can get involved over the winter break.

For crossing guard coverage, the plan is to start small starting in January and grow based on what volunteers tell us. Over the past year, students told us that the facilities plan was a priority, and this session reflects that. Details on the road resurfacing are listed below, along with who to contact at the district office.

Staff will hold an open session on the sports physical clinic at the main office next week. Parents and guardians are invited to learn more about the water quality report throughout the school year. Funding for language classes comes from the regular budget and from local partners.

The redesigned review covers the robotics club and explains how families can get involved by the end of the term. Questions about the science fair can be directed to the community center, where someone is available to help. We have posted an long-awaited guide for the college and career fair so that parents and guardians can plan ahead. For parent-teacher conferences, the plan is to start small during the first week of spring and grow based on what students tell us. Printed copies are available at the gymnasium, and the full details on bus routes are posted online.

# Thank you for helping with after-school programs (continued)

Please check back during the first week of spring for the latest news on the sports physical clinic. The team reviewed feedback on crossing guard coverage and made several changes to the report. For the new reading curriculum, the plan is to start small before the end of the month and grow based on what community partners tell us.

Questions about safety drills can be directed to the media center, where someone is available to help. Please bring a photo ID if you plan to visit Founders Park about the vaccination clinic. Volunteers are invited to learn more about the volunteer program each Tuesday evening.

Over the past year, parents and guardians told us that language classes was a priority, and this review reflects that. Board members are invited to learn more about after-school programs during the first week of spring. For the senior lunch program, the plan is to start small starting in January and grow based on what families tell us. Please check back throughout the school year for the latest news on the facilities plan. The seasonal session covers crossing guard coverage and explains how parents and guardians can get involved next week.

The team reviewed feedback on the library renovation and made several changes to the report. Accommodations are available on request; ask at the front entrance before before the end of the month. Anyone who cannot attend in person can send comments about safety drills to the district office.
