The emergency plan: dates and details

A free report for the bond measure will begin on weekday mornings, and residents are welcome to take part. Residents are invited to learn more about the spring concert throughout the school year. Details on the road resurfacing are listed below, along with who to contact at the north campus. Changes to bus routes take effect throughout the school year, and families will receive a reminder beforehand. This project is part of a larger effort to support staff members and to keep the senior lunch program on track.

Changes to the energy savings project take effect during the first week of spring, and neighbors will receive a reminder beforehand. Staff will hold an open session on the community garden at the front entrance over the winter break. Staff will hold an open session on the winter food drive at the media center before the end of the month.

Questions about the student council election can be directed to the main office, where someone is available to help. This program is part of a larger effort to support community partners and to keep the senior lunch program on track. Thank you to the teachers who helped with school lunch menus; your time made a real difference. Questions about safety drills can be directed to the main office, where someone is available to help.

This session is part of a larger effort to support board members and to keep the calendar for next year on track. Printed copies are available at the aquatic center, and the full details on the public hearing are posted online. Staff will hold an open session on the farmers market at the community center each Tuesday evening.

The emergency plan: dates and details (continued)

Information about the sports physical clinic is now available to community partners at the gymnasium. This report is part of a larger effort to support neighbors and to keep the calendar for next year on track. Families are invited to learn more about the arts showcase during the first week of spring.

Last month, more than 119 staff members took part in the college and career fair, which exceeded our goal. Staff members are invited to learn more about the water quality report by the end of the term. Accommodations are available on request; ask at Founders Park before on weekday mornings. The team reviewed feedback on the senior lunch program and made several changes to the program.

Last month, more than 260 volunteers took part in after-school programs, which exceeded our goal. Questions about the summer reading challenge can be directed to the front entrance, where someone is available to help. The updated workshop covers the swim lessons schedule and explains how students can get involved during the first week of spring. Thank you to the students who helped with the facilities plan; your time made a real difference. Funding for the vaccination clinic comes from the regular budget and from local partners.

Staff will hold an open session on the winter food drive at the front entrance starting in January. Anyone who cannot attend in person can send comments about the new playground to the main office. Information about school lunch menus is now available to neighbors at the front entrance. Funding for the robotics club comes from the regular budget and from local partners. Questions about the robotics club can be directed to the media center, where someone is available to help.
