The road resurfacing moves forward

Over the past year, neighbors told us that the college and career fair was a priority, and this schedule reflects that. Accommodations are available on request; ask at the gymnasium before this fall. A free workshop for the new playground will begin starting in January, and board members are welcome to take part. A redesigned guide for school lunch menus will begin by the end of the term, and teachers are welcome to take part. Anyone who cannot attend in person can send comments about after-school programs to the aquatic center.

Questions about the energy savings project can be directed to the north campus, where someone is available to help. In response to requests from community partners, we have added more time for the volunteer program. In response to requests from parents and guardians, we have added more time for the new reading curriculum.

Funding for the winter food drive comes from the regular budget and from local partners. The improved review covers the robotics club and explains how staff members can get involved starting in January. Please bring a photo ID if you plan to visit the north campus about the volunteer program.

Staff will hold an open session on the community garden at the main office over the winter break. Information about the student council election is now available to families at the media center. Questions about safety drills can be directed to Founders Park, where someone is available to help. Volunteers are invited to learn more about the library renovation starting in January. Questions about bus routes can be directed to the front entrance, where someone is available to help.
