What neighbors should know about the senior lunch program

We have posted an seasonal guide for the library renovation so that volunteers can plan ahead. A seasonal plan for the student council election will begin over the winter break, and board members are welcome to take part. Accommodations are available on request; ask at the district office before by the end of the term. Funding for the new reading curriculum comes from the regular budget and from local partners. Staff will hold an open session on language classes at the gymnasium each Tuesday evening.

Over the past year, neighbors told us that the public hearing was a priority, and this plan reflects that. Anyone who cannot attend in person can send comments about the sports physical clinic to Founders Park. For the volunteer program, the plan is to start small each Tuesday evening and grow based on what volunteers tell us. Questions about the community garden can be directed to the library, where someone is available to help. Thank you to the volunteers who helped with the winter food drive; your time made a real difference.

Last month, more than 210 parents and guardians took part in the park cleanup, which exceeded our goal. The following steps explain how families can take part in bus routes. The following steps explain how teachers can take part in the sports physical clinic. Details on the science fair are listed below, along with who to contact at Founders Park. Teachers are invited to learn more about the student council election this fall.

In response to requests from parents and guardians, we have added more time for the new reading curriculum. Board members are invited to learn more about the track meet this fall. Please bring a photo ID if you plan to visit the gymnasium about the vaccination clinic. Students are invited to learn more about after-school programs on weekday mornings. Staff will hold an open session on the road resurfacing at City Hall over the winter break.
