The public hearing: dates and details

A seasonal program for the robotics club will begin by the end of the term, and community partners are welcome to take part. Details on the senior lunch program are listed below, along with who to contact at the north campus. Please check back starting in January for the latest news on the college and career fair. Community partners are invited to learn more about graduation planning each Tuesday evening. For the student council election, the plan is to start small on weekday mornings and grow based on what neighbors tell us.

Accommodations are available on request; ask at the main office before each Tuesday evening. Printed copies are available at the community center, and the full details on the spring concert are posted online. Changes to the spring concert take effect before the end of the month, and parents and guardians will receive a reminder beforehand.

The team reviewed feedback on the energy savings project and made several changes to the plan. Over the past year, families told us that the volunteer program was a priority, and this session reflects that. Please check back each Tuesday evening for the latest news on the summer reading challenge. Teachers are invited to learn more about language classes on weekday mornings. Thank you to the volunteers who helped with the vaccination clinic; your time made a real difference.

Printed copies are available at the library, and the full details on the technology refresh are posted online. The committee will meet next week to discuss the emergency plan and share an improved schedule. The updated review covers the spring concert and explains how parents and guardians can get involved before the end of the month. The team reviewed feedback on the summer reading challenge and made several changes to the program.

The public hearing: dates and details (continued)

The team reviewed feedback on the volunteer program and made several changes to the program. Anyone who cannot attend in person can send comments about the new reading curriculum to City Hall. In response to requests from teachers, we have added more time for the emergency plan.

Anyone who cannot attend in person can send comments about the track meet to the gymnasium. Staff will hold an open session on crossing guard coverage at the community center on weekday mornings. This project is part of a larger effort to support parents and guardians and to keep the new playground on track.

Information about attendance support is now available to students at Founders Park. The redesigned project covers the science fair and explains how volunteers can get involved this fall. Questions about after-school programs can be directed to the community center, where someone is available to help. A expanded program for the track meet will begin before the end of the month, and volunteers are welcome to take part. Please check back over the winter break for the latest news on the facilities plan.

Anyone who cannot attend in person can send comments about the facilities plan to the community center. Changes to the sports physical clinic take effect next week, and families will receive a reminder beforehand. Please bring a photo ID if you plan to visit the north campus about the facilities plan. Funding for attendance support comes from the regular budget and from local partners.
